FutureNet Group Inc.

Detroit

FutureNet Group has achieved impressive growth by pursuing business with Uncle Sam.

The company provides environmental consulting, engineering, construction and technology services that range from hazardous waste inspection and remediation to Web portal development. Obtaining a long list of certifications (including those from the Small Business Administration's 8(a) Business Development and HUBZone Empowerment Contracting programs) has helped FNG compete in bidding and develop a service niche in governmental agencies.

AT A GLANCE

Perry D. Mehta, president/CEO
